Dear Pappy —

The fellow taking Walter.  
Muelder's place is:

Harvey Siefert, formerly  
of Adrian College, Mich.

Ever —  
Walt.

Mum - if this doesn't suit —  
leave it for me — and I'll  
get you something else.  
I couldn't find one that  
was wide enough — except  
short ones.

Have a good trip — and  
both of you behave yourselves!  
This is a bit early — but I  
don't want to miss it.

Monday Mite

Dear Ruby,

Thank you for your letters and the Times clipping. Certainly glad to learn that I felt was able to have such a wonderful "find" for a secretary and will send him the \$120<sup>00</sup> next month.

We've finally found a house in Jamaica L.I. and have leased it for the 9 mos. will be here.

It's at the very end of the 8<sup>th</sup> Ave subway and faces a golf course. Has 7 rooms - 4 bedrooms - 2 bath - garage - privs, phone etc. - so we shall start living "again".

Mary and I were  
truly inspired and greatly  
moved by ~~him~~ Buttrick (2)  
at the Madison Ave. Presby-  
terian Church Sunday  
and it was our good  
fortune that Ted Halser  
of the N.Y. F.O.R. was  
present and introduced us  
to Mr. Buttrick. We  
certainly are going to attend  
his church as often as  
possible. What a "con-  
cocted man." He just  
seems in "fire" for the  
cause of Christ and  
His Kingdom - and I'm  
sure he can do us  
a lot of good.

We hope this finds  
you and Alma well  
and that every thing on  
the hill top is running  
smoothly. Gratefully & fondly  
yours, John & Mary
